April 2008

Dear Praying Friends,

God has been so good to us this past month. We had the wonderful opportunity of presenting our burden for England for the first time at a missions conference in Kokomo, IN. Our second meeting came one week later in Benton, KY. Here we joined missionaries Randy Ashcraft to Mexico, David Gross to Moldova, and Robbie Mullinax to the people of China. God's Spirit was in the services as many eager listeners attended and were encouraged to pray and support missions.

Both of these meetings came during my last two weeks of school at the Crown College of the Bible in Powell, TN. I graduated from a Masters of Ministry course on May 5th. After four years of electrical training in Canada, four years of Bible College in Indiana, and one year of Bible College in Tennessee, I thank the Lord I am finally able to focus on serving Him full time.

Please pray for us as we are starting full-time deputation right away. We will have a commissioning service at my sending church on May 11th, and an ordination service on May 18th. We have forty meetings scheduled between now and Christmas, and our third child is due sometime in August. It will be a busy summer in western Canada as we hold meetings and raise support in the province where I was saved and baptized. We have several meetings booked for Ontario, Quebec, and Nova Scotia in the fall.

The Lord continues to use us in the salvation of souls. We have had the wonderful opportunity of leading several people to Jesus Christ lately. Please pray for Brian and James, in particular, as we focus on discipling them for the Lord while we are in the area for the month of May. My wife and I met them while we were out door knocking; and remarkably, they both reminded me of myself before I was saved. Praise the Lord somebody took the time to disciple me!

Thank you for your faithful prayers as we partner together to reach the people of England and the rest of the world.

Led by Him,

James Mansfield
