Dear Pastors and Friends,

For the last two months we have visited churches exclusively in Canada. The Lord has allowed us to minister in six churches in Ontario, one in Quebec, and nine in Nova Scotia. Throughout all of the meetings, it was evident that the Lord was glorified through our travels. We had many wonderful experiences recently which include eating lobster at a pastor's house in the Maritimes, preaching with an interpreter in a French church, receiving \$100 from a complete stranger at Niagara falls, preaching at a mission's conference to over 500 people, playing ice hockey with several other preachers, and visiting the Hockey Hall of Fame in Toronto.

My wife and I have both seen several people saved during church-wide soul winning and personal visitation times. I still marvel how God is able to speak to the listening believer while I preach, and I praise the Lord for the many decisions that were made during these services.

Deputation is not without its mechanical challenges. On two different occasions, our fuel pump went out in our gas tank, and a fuse link disabled our vehicle completely. Praise the Lord that neither problem came at an unseemly time or at an unfair cost. God always provides!!!

One thing is for sure: Canadian people and American people alike are either lost or saved. Regardless of the nationality, God died for everyone on this earth, and my recent travels have made me more aware of the need to get the Gospel to every creature while there is still time. Please pray for us to be faithful witnesses and reach many souls for Jesus Christ as we work our way toward England.

Prayer Requests:

- My family's salvation
- Wisdom in scheduling meetings
- Fruitfulness
- Divine protection
- Faithful Support

Led by Him,
