Greetings, Praying Churches and Friends,

We wish you a Merry Christmas and a Happy New Year! As all the hustle and bustle of Christmas continues to crescendo, we are able to slow down a bit and enjoy some rest! This fall was super busy with many mission's conferences and single meetings all while travelling over 5,000 miles between California and Maryland!

We have officially parked the motor home for the winter months (since the water will freeze in the lines), and have returned to driving the mini-van to our meetings. It is a great advantage to have another vehicle that is dependable.

It has been exciting to see how God has filled our calendar. I do my part calling and staying organized, and He sure knows how to bring just the right people across our path to partner with us in reaching British souls.

We are elated to tell you that we are now at **43%** of our needed monthly support! Several churches have recently begun to support us, and many others will be voting to take on more missionaries in the beginning of the New Year.

In the last couple of months, God has blessed financially and in a greater way – spiritually. We have personally had the opportunity to lead 9 people to the saving knowledge of our Lord Jesus Christ! This is a personal encouragement to us as well as the churches we have gone visiting with. Several people have also walked the aisle for salvation and baptism during our meetings.

Recently, a 7 year-old boy named Riley Benton came to us during a mission's conference to tell us he believes God is calling him to England! What an honor it was to see his excitement; and what a privilege to be used of God to encourage others to keep missions a priority, as it is nearest to the heart of God.
