Greetings, Praying Churches and Friends,

The summer has flown by and the winter clothes have been dug out. We have met so many people and made so many new friends. God saw fit to bless us with extraordinary opportunities for family fun from Disney World to Washington D. C! We have literally driven from east coast to west coast and are right now enjoying the fresh crisp air of California. We have several meetings in New England before we head back to Indiana for Thanksgiving, so we will be crossing the span of the US again. A HUGE praise is that we have not had any mechanical issues since our last prayer letter—pretty good for a 1987 Ford motor home!!

The ultrasound showed very clearly that we will be welcoming boy #4! We are excited that the Lord has entrusted to our care so great a responsibility as rearing children for Him. Everything looked great and Andrea is doing well. The due date is December 29. We plan on naming him Joshua David.

Our boys are growing by leaps and bounds. Elijah and Stephen have "school" daily and amaze us with their capacity for learning. Daniel is now walking and has the bruises to prove that he is trying to keep up to his brothers.

We have seen many young people show an interest in missions and count it an honor to encourage God's call to world-wide evangelism. We were personally able to see four souls saved recently and had several more very good conversations with people while out visiting. Please remember in prayer a very bitter lady named Aundra that Andrea was able to spend quite a bit of time with sharing the Gospel. She did not accept Christ but we are praying she will.

We praise the Lord for West Jacksonville Baptist Church in Jacksonville, FL; Amazing Grace Baptist Church in Bridgetown, NS; Grace Baptist Church in Lockport, IN; Temple Baptist Church in Flower Mound, TX; and Solid Rock Independent Baptist Church in Corriganville, MD for taking us on for monthly support. We also were excited to learn that the Nymeyer family in IN also have financially decided to partner with us to reach the world through England with the Gospel.

One of my favorite parts of deputation is the exposure and learning I receive from the many men of God that I have the privilege of meeting along our travels. Many pastors have invested in me, and I owe them a great debt. May the Lord encourage and reward you for your great Christian conduct.

Please continue to pray with us that God would continue to raise our support in a timely manner. Souls are dying every day without the privilege of hearing the Gospel even one time!

Led by Him,

James, Andrea, Elijah, Stephen, & Daniel Mansfield
